

## Oxford Handbook of Cardiology and Emergencies in Cardiology Pack

By -

Oxford University Press, United Kingdom, 2012. Multiple copy pack. Condition: New. Language: N/A. Brand New Book. Two titles from the best selling Oxford Handbook and Emergencies in series are available together in this great value pack. Cardiovascular disease remains the major cause of morbidity and mortality throughout developed countries and is also rapidly increasing in developing countries. Cardiovascular medicine and the specialty of cardiology continue to expand, and the remit of the cardiologist is forever broader with the development of new sub-specialties. The Oxford Handbook of Cardiology provides a comprehensive but concise guide to all modern cardiological practice with an emphasis on practical clinical management in many different contexts. This second edition addresses all the key advances made in the field since the previous edition, including interventional cardiology, electrophysiology, and pharmacology. It expands the remit to medical students and the more junior doctor while retaining the level of detail required by more senior practitioners within the field. Acute cardiology problems often need quick, appropriate diagnosis and treatment. With the increasing complexity and rapidly-changing nature of available therapies, knowing which to use and when can be difficult. Emergencies in Cardiology, Second Edition, provides an easily-accessible guide to diagnosing and managing acute...
