QUANTITATIVE SOCIAL SCIENCE: AN INTRODUCTION (HARDBACK)

Princeton University Press, United States, 2018. Hardback. Condition: New. Language: English . Brand New Book. An introductory textbook on data analysis and statistics written especially for students in the social sciences and allied fields Quantitative analysis is an increasingly essential skill for social science research, yet students in the social sciences and related areas typically receive little training in it--or if they do, they usually end up in statistics classes that offer few insights into their field. This textbook is...
