Seraphina Fawkes is ready to make her mark on the Little Rock design industry as Gallagher Interiors new lead on Tanbee House-a coveted historic restoration project. But the job s biggest perk might be her handsome boss, Grant Gallagher. Grant shares Seraphina s straightforward, no-nonsense demeanor, so she s surprised when he hires an old adversary who was suspected of involvement in a drug ring. Though Grant seems intent on giving him a chance, she ll keep a close watch on anything that could jeopardize the project-or her growing partnership with Grant. Getting what he wants-even at others expense-never used to be difficult for Grant, but sexy, stubborn Seraphina tests his resolve. Though deception is necessary to maintain his covert investigation into the crime syndicate plaguing the city, Grant knows that the longer he hides the truth, the more destructive it will be when revealed. Will Seraphina still trust Grant, and their intense connection, after she finds out their foundation is built on secrets?.
