

## The Westward Movement in American History: Syllabus of a Course of Twelve Lectures (Classic Reprint) (Paperback)

By Donald E Smith

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Westward Movement in American History: Syllabus of a Course of Twelve Lectures So great is the number and complexity of the printed works on American History, that some preliminary classification of the more important in regard to both scope and period seems necessary. No attempt will be made here to estimate critically all of the important works dealing with a part or the whole period of American History from the first discoveries to the election of Abraham Lincoln in 1860, but it seems worth while to give some indication of those books which are at the same time useful and accessible. Two useful guides to the bibliography of American History are first of all, Channing Hart's Guide to American History, (Boston, 1897. Ginn Co.); and C.K. Adams Manual of Historical Literature, (N.Y., 1882. Harper). The last mentioned work is of uneven merit and now somewhat out of date, but the Channing Hart Guide, though without critical estimate of the great majority of the works referred to, contains admirably selected bibliographies, both general and special. General Histories. -...
