Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Expeditions is the second book in the Corvidian Trilogy. I Battleground presented the predicament that the crow was born into, as well as, his travels throughout inner universe. Before blasting into outer space, Hosanna decided that he will meet the Master Within; and so it is that Expeditions begins. He links up with the Elder Crow who guides him throughout universal travels, filled with adventurous contact with mundane and ascended beings: They introduced him to a way of being in life on worlds that the little crow never before dreamed existed. This continuous journey is important as it is a combination of inner work and concrete experience that brings about the personal victories that transform our lives.
