United States path to self Destruction What ISIS Real Goal: The Islamic State is no mere collection of psychopaths. It is a Religious group with carefully considered beliefs, among them that it is a key agent of the coming apocalypse. Here's what that means for its strategy. ISIS goals is to divide The United States between good and evil. Example is same sex marriage (cannot reproduce) is immoral no matter how you put it. Homosexuality is destroying the base core of the morality of marriage between a man and a woman. United States is doomed for destruction from within. ISIS cannot destroy us. In time we will destroy ourselves. Read this book and you will come to the same conclusion. STD Economic Impact to the United States: The ASHA panel reviewed published data on the economic costs of individual STDs and estimated the direct medical costs of STD treatment for all estimated cases per year. Direct medical costs are dollars actually spent within the health Care System treating STDs and their complications. The direct costs presented here - 8.4 billion - are only one part of the total economic burden of the STD epidemic. These estimates do not include nonmedical indirect costs (lost wages and productivity due to STD-related illness), out-of-pocket costs, or the costs incurred when STDs are transmitted to infants, which can result in significant lifelong expenditures. In addition, many STD cases result in an office visit but are not diagnosed as STDs. Finally, these estimates do not include the cost of STD prevention and screening. It is useful to look at the costs for treating bacterial and viral STDs separately, because the nature of these infections...
