It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This book examines Wayne Grudem's controversial teaching on fallible prophecy in view of various lexical, exegetical, and historical points of analysis. It also addresses the teachings' popularity and continuing advancement through many charismatics within the New Calvinism movement. The doctrine of fallible prophecy is neither benign nor harmless, rather it constitutes a troubling strange fire for the body of Christ and continues to spread through the advocacy of popular continuationists like Wayne Grudem, D. A. Carson, John Piper, and Mark Driscoll: Not only does fallible prophecy have no real value, it is dangerous and can lead the gullible to take very unfortunate actions. . . since Grudem is the Neo-Calvinist theologian leading the charge in attempting to develop and defend the position of fallible prophecy, Beasley primarily interacts with his writings. His carefully presented argument leads to the conclusion that Grudem is reasoning from both ignorance of New Testament times, as well as from silence. Beasley has done the church a wonderful service by producing this volume. My hope is that many will read it and absorb its contents. Gary E. Gilley, Pastor-teacher, Southern View Chapel, Springfield, IL

Contents: 1. Chapter 1: Prophecy - A Test of Love: According to the proponents of fallible prophecy, the presence of error in a prophetic utterance does not make such claimants of the prophetic gift false prophets, it only means that they are New Testament fallible prophets by definition. This constitutes a complete reversal of meaning of prophecy which results in a confused message concerning the nature and character of the God who has consistently and effectually revealed Himself through His appointed messengers. Moreover, such a redaction of prophecy effectively confuses, and nearly eliminates, the scripturally prescribed...
