Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

EULOGIES AND DEAD HORSES: ADVENTURES AND INTERESTING SITUATIONS IN THE LIFE OF A TRAVELING GEOLOGIST (PAPERBACK)

Much More Murray, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.INTRODUCTION As a geologist, I travel to remote regions of the world. Eulogies and Dead Horses is a collection of some of my travel adventures. The stories focus on the beauty that surrounds us during poignant moments when life is in a fragile state. An underlying theme in this book is the presence of Mortality as an almost sentient, omnipotent being. The situations are described with humor and, in some cases, a bit of geological observation as well. Each story is either about people or about animals experiencing some stressful condition and the subsequent resolution of the conflict. These situations demonstrate the likely existence of a larger plan along an obscure path leading through a mire of challenges. That said, these stories are really about life. I am reluctant to use the word, mortality, in this introduction because it usually triggers a predictably adverse reaction in most people. A natural response would be to avoid that topic, do not enter here, and close this book. This subject, however, is part of the world. Mortality is simply an ever present condition of living. In this respect, Mortality is an aspect of life. I describe my travels with an appreciation for the austere world that surrounds us, not only for humans but also for animals. I write these narratives from the perspective of an observer, like a witness. This is a collection of (hopefully) uplifting and, in some cases, humorous stories about drastic situations I've been in. I present these stories for the reader who is on their own journey. The title is designed to catch the eye of someone who is in that special moment when they are looking for a new and...
