Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Lulu.com, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Kerr is the Bill Bryson of the Playstation generation Billy had only gone out for a bacon roll but in his hungover state had vowed to find Buddha a more fitting home. The only problem was that the Buddhas new home happened to be in Bangkok. And so begins a journey that will transport Billy and his partner Ellen around the world and back again. Trouble is never far away from this hapless duo. They stumble across a Scottish themed brothel, buy hippo penis cream instead of malaria pills and highjack a stage to sing the Scottish Anthem. But all the fun of travel soon evaporates. An incident occurs that turns the couples s happy go lucky experience in to a nightmare and brings them close to death and even closer to madness. Startlingly honest, ridiculously funny and horrifyingly frightening, A Tale of Buddhas and Bandits is the true story of two years in the life of an itinerant couple.
