Tate Publishing Enterprises, United States, 2013. Paperback. Book Condition: New. 208 x 132 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Have you ever wondered why there are so many Christian denominations or why there seems to be so much division in what we call the Church ? In The Breaking of the Strong Man, Russell Traweek believes that it is because of one word, an ideal that has created an entire belief system that God never intended-autonomy. Pointing out that we certainly do not need another book that features someone's opinion on what the Church should be like, he sought to reveal what God's Word has to say about the Church. Using scripture to demonstrate that many churches do not reflect God's word, Traweek demonstrates that autonomy is a facade at the root of the destruction of the modern-day church in America. This is not a self-help book or one that is program driven, missions driven, or driven by any other man-centered approach. It is a book that will challenge you to ask the tough questions about your church, your denomination, and your traditions in order to hold them up to the truth of God's Word. Only then can we get back on track with God's intention for his Church.
