Sleepytown Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I restored my first bike when I was ten years old. I vividly remember the circumstances of that first acquisition. Having recently been hired as a city delivery boy for the local newspaper, I had walked my route for several months, squirreling away my meager profits until the Maxwell House Coffee jar with the crude hole cut in the lid was filled with enough coins to purchase a bicycle. Carrying my homemade bank with the great total of eight dollars, I followed my dad (who believed in walking everywhere) over the steep, unforgiving hills that made up the west side of our small Southern town. It was a Saturday morning in the mid-Fifties and I remember the elation and anticipation of the event more than the exhausting trek of a mile over and a mile back to the house. Perhaps this day was the first of many when I would see discarded and worn machinery, not as outcasts of utilitarianism, but in their original glory as brilliantly-painted tools and toys. How else could one explain the motivation forty years later to restore every bike and metal toy from the era of balloon tires and Structos? Without realizing his planting the seed, my father was showing me that all things old and rusty have a beauty and charm all their own. I thought I was underway to buy a despondent relic of the late Forties. I was actually introducing myself to a late-life work of preserving the joy of childhood and youth. Or perhaps I exaggerate to a fault. But that day I saw a rusty, unusable Western Flyer Deluxe with both tires ravaged with age, cracked and weary beyond patching, a...
