

Secret of the Wolf: Number 2 in series (Paperback)

By Cynthia Garner

Little, Brown Company, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Council Liaison Victoria Tori Joseph is a werewolf with a secret: she's withholding information about a recent slate of were-attacks that result in human victims turning into werewolves. She struggles with her decision to tell what she knows about the case because doing so will harm someone very close to her. Yet, working with her sexy human colleague, Detective Dante Fabrizio, has her wanting to do the right thing. Dante has been in the Special Case Division for almost a year and is still shocked at how violent the Extra Dimensionals (EDs) can be. Experience tells him Victoria knows more than she's telling and while he can't ignore the danger inherent in a relationship with a werewolf, he can't deny his attraction to her.

Reviews

It is one of the most popular book. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Camylle Larson**

It is just one of my personal favorite book. I was able to comprehend every little thing out of this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
