Box of Crayons Press, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Coaching is an essential skill for leaders. But for most busy, overworked managers, coaching employees is done badly, or not at all. They're just too busy, and it's too hard to change. But what if managers could coach their people in 10 minutes or less? In Michael Bungay Stanier's *The Coaching Habit*, coaching becomes a regular, informal part of your day so managers and their teams can work less hard and have more impact. Coaching is an art and it's far easier said than done. It takes courage to ask a question rather than offer up advice, provide an answer, or unleash a solution. Giving another person the opportunity to find their own way, make their own mistakes, and create their own wisdom is both brave and vulnerable. It can also mean unlearning our fix-it habits. In this practical and inspiring book, Michael shares seven transformative questions that can make a difference in how we lead and support. And, he guides us through the tricky part - how to take this new information and turn it into habits and a daily practice. -- Brene Brown, author of *Rising Strong* and *Daring Greatly* Drawing on years of experience training more than 10,000 busy managers from around the globe in practical, everyday coaching skills, Bungay Stanier reveals how to unlock your people's potential. He unpacks seven essential coaching questions to demonstrate how--by saying less and asking more--you can develop coaching methods that produce great results. - Get straight to the point in any conversation with The Kickstart Question - Stay on track during any interaction with The AWE Question - Save hours of time for yourself with The Lazy Question,...
