Channing is a vampire who has spent his immortal existence on a mission. He's never had time for the pleasures of living or to mourn his lost mortality until one fated night when he crosses the path of an innocent mortal girl and falls hopelessly in love. Rose has lived her life sheltered from the rest of the world. With no one but her beloved sisters as allies, she spends her days half lost in fairytales, creating stories of the world she has yet to know and believing in a true love she is destined to feel. When Rose becomes the object of Channing's heart and obsession, dreams of fairytales become nightmares of monsters. In a love story as dark as it is destined, Channing seeks to prove to Rose that love defines the heart of a monster and can transform any beast into a man.
