Brand New Book ***** Print on Demand *****.Seth Storm, a once famous musician from Nashville, is now nothing more than a fallen star. After climbing the music charts and making his dreams come true, his life took a turn that he'd never expected, causing him to lose it all. But Seth is determined to do whatever it takes to get it all back, even if that includes doing the one thing he swore he'd never do. After turning his back on his career, music, and the life he had worked so hard to build, Seth embarks on a journey to make things right and get his life back. Along the way, Seth encounters a storm that threatens his chances at getting back the one thing that could fix his broken life: his daughter, Faith. Forced to travel with strangers, Seth discovers that his success and failure are not just at the hands of fate, but that they also rest within his traveling companions. This is a story about how far a man will go when he has nothing to lose and only one chance at getting it all back to honor a promise he made to his little girl. The road to picking up the pieces of his broken life places him face-to-face with his demons, leading him to realize that nothing is worse than Losing Faith.
