Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The beetling crags that hang here and there above the gorge hold in their rugged rock sculpture no facial similitudes, no suggestions. The jagged outlines of shelving bluffs delineate no gigantic profile against the sky beyond. One might seek far and near, and scan the vast slope with alert and expectant gaze, and view naught of the semblance that from time immemorial has given the mountain its name. Yet the imagination needs but scant aid when suddenly the elusive simulacrum is revealed to the eye. In a certain slant of the diurnal light, even on bright nights at the full of the moon, sometimes in the uncanny electric flicker smitten from a storm-cloud, a gigantic peaked sinister face is limned on the bare, sandy slope, so definite, with such fixity of lineament, that one is amazed that the perception of it came no earlier, and is startled when it disappears.
