Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Guide to Washington: And Its Vicinity The first and greatest object of interest to the visitor is the Capitol, a magnificent building, situated a little east of the centre of the city, and can be readily reached by the Pennsylvania avenue, F street and Belt line of city railways. The interior of the Capitol is grand; the Rotunda, which one naturally views first upon entering, is directly in the centre of the building, and is divided into eight panels, between which are four bas-reliefs of historical subjects, representing respectively, Preservation of Capt. Smith by Pocahontas, Landing of the Pilgrims, Conflict between Daniel Boone and Indians, and Penn's Treaty with the Indians.
