## Metal Fatigue The Making of a Middle Aged Metal Head

By Todd Baker

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 250 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. In Ten Year Run, Todd Baker unabashedly shared his journey from couch potato to Olympic torchbearer and marathon finisher. Now, he confesses his love for the worlds scariest and loudest music: Heavy Metal. Baker wears a tie by day and a Slayer t-shirt by night and has been a dedicated metal head for 35 years. And hes a really nice and funny guy. In Metal Fatigue, Baker humorously describes his apprenticeship in the heavy metal trade to explain how such a decent person can fall in love with such wicked music. From listening to Black Sabbath for the first time to interviewing intergalactic warlords as a college radio DJ to failing to properly execute a stage dive, Baker shares stories of his life in metal music and how he survived it (mostly) unscathed. Metal Fatigue is a wry and witty memoir that will charm metal heads and those who just dont get it. And he offers encouragement for any confused parent of a kid who loves heavy metal. This item ships from La Vergne, TN. Paperback.

### Reviews

*Very good e book and useful one. it was actually writtern extremely properly and useful. I found out this pdf from my i and dad recommended this publication to discover.*

-- **Heloise Wiegand**

*These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.*
