Vicki Bohanan is at it again, and this time she's sporting a whole new reputation. On the eve of preseason football, blackmail lands at her feet - and for a woman with an attitude the size of Texas, it's gonna take more than a pigskin to plug her pie hole. Especially when the old reputation continues to nip at her like a never-ending hangover. A Texas Ranger, her undercover boss, and a patron affectionately dubbed Radioman walk into the bar and keep Vicki's head whirling like a ride at the state fair. All she wants is to move back into her remodeled apartment to escape the madness. So when her Aussie model sometimes squeeze invites her to San Antonio for a shootout at the Alamo - cameras this time - Vicki saddles up for a ride. Then runs smackdab into an unexpected hitch by the name of Reginald von Braun. Reggie's got secrets hidden behind secrets, and someone else has discovered the truth. With blackmail in the bargain, Vicki must determine the culprit who has threatened to expose Reggie's past right when he's on the cusp of finding a future. All while protecting his revelations, hard to do when you've got that dreaded disease known as foot-in-mouth - and when you're fighting off multiple men with an eye on your goods. How many men can one woman fend off? As many as Vicki can handle in book two of the Bartender Babe Chronicles. Bring it on, boys.
