Palgrave Macmillan, UK, 1998. Hardcover. Condition: New. First Edition. 224 pages. Available Now. Book Description: The massive transformation of British society in the course of the nineteenth century is a commonplace of historical description. The transition from an industrialising but still predominantly agricultural society, with many of its traditional, vertically organised forms of social organisation still intact, to a predominantly urban, class-divided and recognisably modern society remains one of the striking transformations of social history, the prototype indeed for much...
