Excerpt from The Sewage Question in California: Report of the State Engineer, Wm; Ham; Hall, to the Board of Directors of the Stockton Insane Asylum on the Sewerage for the Institution in Their Charge Consequent upon the rapid deterioration in the quality of river waters in England, and upon the growing opposition to the mingling of sewage with them, in 1865, by authority of law, a Royal Commission was appointed to inquire into the subject. Men of the very highest professional and scientific standing and widest experience were appointed to the Board. Sir Robert Rawlinson, Past President of the Institution of Civil Engineers John T. Harrison, Esq., Member of the Institution, and of the Local Government Board of the Kingdom, and Professor John T. Way, one of the leading chemists of the country, being the members.
