High school Senior Alexzandra doesn't really know what to do with her life. She's applying to colleges as she is expected to do - until she receives a mysterious cell phone text message. The text claims that going to college straight from high school is NTOW (not the only way) for her to achieve financial security reach her dream of studying in Hawaii making a difference in the world. Alex's family is about to have their secure life shaken - and following the advice of the unknown Texter might be the only way for them to hold onto the life they know. Is network marketing a realistic plan for two professionals and their teenage daughter? If Alex's text angel is right, it may be their best option. Told in the parable style of the great Og Mandino, Passive Income 101 reveals: \* What to look for in a home-based business. \* The potential of network marketing. \* The importance of cash flow. \* How to create easily duplicated systems. \* Methods for addressing people...
