

Seven Cities of Old

By Mike Wild

Snowbooks Ltd. Paperback. Book Condition: new. BRAND NEW, Seven Cities of Old, Mike Wild, 1884. "Do I have a plan? I just found out! Of course I don't have a f**king plan!" They call them The Altered States: Texas, Colorado, Wyoming and beyond. Half a continent gone to hell. Half a continent home to grotesques, monsters and madmen. Between it and civilisation stands Westwatch and the men and women of the Department for Research into Advanced Weaponry - the agents of D.R.A.W. - who are about to have a very bad day. For what starts as a routine investigation of smuggled ancient artefacts catapults Ginny Dare, Posse Cat, Jiminy Crocket and Marshal Marshal Marshal into a race to stop a being older than the universe bringing about the end of all worlds. Runaway trains, besieged airships, raging river rafts and a gunfight with an army of the dead - with, if they're lucky, a whisky, in between - are just a few challenges they'll face before unlocking the secret of the Altered States, buried deep beneath the earth in one of the Seven Cities of Old .

Reviews

Definitely among the best publication We have possibly read through. I really could comprehend everything using this published e ebook. Its been written in an exceedingly straightforward way and it is simply after i finished reading through this ebook through which basically altered me, change the way i believe.

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
