Gina Watson. Paperback. Condition: New. 82 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. He had a huge problem . . . He couldnt keep it in his pants. Lust without conviction can lead to disaster. As Cory slaked his lust with yet another woman, he thought this one might be married, but he didnt want to dwell too hard on that. Since hed opened his vet practice in Whiskey Cove, women had thrown themselves at him and hed given them what they wanted. He asked no questions, just pleased them and himself. What he needed was a good woman to straighten him out--preferably before his recklessness caught up with him and he was hurt or worse. And then she arrived, fresh-faced in cutoffs and a tank top, cradling her sick dog. He hadnt cared what women thought about him, until now. Brook saw Dr. Corrigan St. Martin emerge from the exam room straightening his necktie. And then she saw her landlords wife smoothing her clothes down as she followed behind him. Brook wondered if hed known the woman was married. Shed heard the rumors about the vet, that he was shameless about his licentious behavior. But he was a devoted vet. And completely irresistible. Maybe there was more to the man than his reputation. --- She knew he was a jerk, but she was falling in love with him. And if that wasnt bad enough, she kept having sex with him because she was powerless to stop her bodys attraction to his arrogant confident swagger and his godlike features. The man was sex on a stick. --- Will Brook help Cory see the error of his ways before its too late --- Will Cory commit to Brook and give her the companionship she deserves but has never received This item ships...
