AUTHORHOUSE, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Single and making it. It means that you're handling all that life has sent your way. You're not depressed; you're seeking God for all answers, and you're even careful of your choice of friends. As Christians, we should always depend on God for our strength and comfort. Basically, you're seeking the kingdom of God, and everything else is just falling into place. As Christians we want to live that total and acceptable life for Christ, but we don't know how. God intends for you to be single until he is ready to send you that soul mate. We should read the word on a daily basis, learn how to compromise, share, accept change, and even practice being submissive. If we do these things appropriately, we will be in a position to accept our precious gift and enjoy the rest of our lives together serving God. As Christians, we should never settle for less. Always do what's right by God, never sacrifice your Christian beliefs for no...
