By Toby Venables

ABADDON BOOKS, 2014. Paperback. Condition: New. Language: English . Brand New Book. Guy of Gisburne, knight and agent to Prince John, is all that stands between England and anarchy, fighting a shadow battle to protect the kingdom from those who would destroy it. Returning to England after foiling a plot to destroy Jerusalem, Guy of Gisburne is arrested and hauled to the Tower of London; John, England's regent in the absence of its monstrous King, needs his knight once more. A killer has broken into the Prince's most secure castle in the north and left a message, drawn on the skin of one of his victims: the circle is closing, signed with a handprint in blood. Is the threat genuine? Who or what is the Red Hand? Someone is killing John's men, and the obvious culprit - the most dangerous man in the Kingdom, Hood himself - has an alibi even Guy can't deny.
