Gestalten Apr 2015, 2015. Buch. Condition: Neu. Neuware - Traditional clothing represents the regions where it is produced along with their cultures and handcraft. Its creativity and longevity is inspiring high fashion designers of today and tomorrow. Traditional clothing is essentially haute couture. Made with high quality fabrics and elaborate workmanship, it embodies cultural heritage and style. Encompassing a surprising variety of garments, it represents premium handcraft, an awareness of tradition, a sense of belonging, and an affinity to one's homeland. At the same time, folkloric clothing is inspiring some of today and tomorrow's most ambitious and radical fashion designers. In Traditional Couture, photographer Gregor Hohenberg succeeds in building a visual bridge between the outmoded and the avant-garde in German folkloric fashion. He portrays the individuals, young and old alike, who wear traditional attire in all the regions of his homeland, as well as their surroundings. Furthermore, he depicts the distinctive garments in all their glorious detail: pearls, seams, embroidery, and colors--all of which are completely unaffected by the seasonal influences of the fashion industry. This book is a dazzling journey in pictures featuring an almost overwhelming abundance of visual symbols and stylistic inspiration. At the same time, Traditional Couture captures the grace and dignity with which clothing is worn. The book eschews kitschy German folklore to show how donning traditional dress can change one's composure, lend charisma, and make a statement while providing a relaxed sense of self-confidence and feeding passion for special attire at special occasions. There is simply no other clothing that represents the wearer's biography and region in quite the same way. Traditional German outfits are made to last a lifetime and handed down to future generations. Some of their details are so elaborately made that hardly anyone has the time or skill to create them today....
