iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It s 1994 and Mississippi has still not ratified the Thirteenth Amendment abolishing slavery. In one week, Mississippians are poised to elect the corrupt ex-convict Reverend Leon Jackson as the first African American governor in state history. The reverend has organized the Apostles, composed of the country s two deadliest gangs, to employ the same violent tactics the Ku Klux Klan used in black polling areas during the Civil Rights Movement. Meanwhile, the other gubernatorial candidate and Klan-affiliated Congressman Quentin McDaniels pulls his eighteen-year-old son, Spencer, out of prep school back east. The Congressman enrolls Spencer in Jackson s most violent school to reintegrate and desegregate the now 98 percent African American based public school system. But his plan backfires. Spencer meets a young black woman from Oakland, California, who has also returned to Mississippi. The two fall in love, but not before sharing an abominable act of modern-day racism in the grocery of a Mississippi backwoods town. And by the end of the week, the Mississippi that burned in 1964 will burn again-blazing this time with more fury and hatred than ever before.
