Allan S., 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book is a map of the 3 worlds that make up our reality - Physical, Stories and Being, and a guide to navigate between them. The book uses simple language and doesn't require knowledge or beliefs, yet it's not meant for everyone, only for those who want to see and be seen beyond the masks of personality. Who am I? describes the path to knowing yourself, healing and releasing your past to enter the world of being, and what you gain and lose by the exchange. Who are you? describes the shared dance of seeing and knowing another, and how to link as independent beings, and Who are we? is a language of sharing being in a group for those who can no longer belong. If you have no choice and simply must know, then read it, and breathe: -).
