Brand New Book ***** Print on Demand *****.Sweeping the Floors in the Full Crumb Cafe: A contemporary, poetic and lovely Tao Te Ching for the 21st century. The poems and stories here bring a genuine sense of awareness and beauty to the everydayness of our daily lives. This is the place where we can all be human and humane again. (M.L. Liebler, Detroit Poet Co-Editor of The Made in Michigan Series at the Wayne State University Press.) Some of the poems and stories of the people who pass through The Full Crumb Cafe have language so gripping, words and ideas so remarkable, that the reader can rest in their comfort even as the tension of the piece moves through them. Is this collection a caper or a cautionary tale? I d say in Anger s capable hands, it is both, and more!
