By Faith Hunter

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Set in the same world as Faith Hunter's New York Times best-selling Jane Yellowrock novels, the second Soulwood novel tells the story of a woman whose power comes from deep within the earth. Before Nell Ingram met skinwalker Jane Yellowrock, she had no one to rely on, finding strength only in her arcane connection to the dark woods around her. But now she has friends in the newly formed PsyLED team to keep her grounded - even if being part of the agency responsible for policing paranormals comes with dangers of its own. After training at the PsyLED academy, Nell returns home to her woods to find the land feeling sick and restless. And that sickness is spreading. With the help of her team, under the leadership of agent Rick LaFleur, Nell tries to determine the cause. But nothing can prepare them for the evil that awaits: an entity that feeds on death itself. And it wants more.
