Xulon Press, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. People are confused about love, and that love is the greatest quality amongst people, and love is all about God. That no one is ever going to be perfect, so we must learn to accept and love others in spite of their faults. When we see fault in others we should be kind, patient, and gentle, unfortunately this is a challenge most of us face because we re really self-centered, and not Christ-centered. - Darius Prince, author Love is the Key is a heart-warming, entertaining, but faith-filled work of fiction written by Darius Prince. The narrative focuses on Derek, as he grown to counsel others on their relationships with family, friends and God. His quote, I m just an ordinary somebody trying to help somebody is evident as he extends his genuine friendship to many characters in the book. Derek examines what it means to be a Christian as he recalls times where many have gotten caught up in false pretenses, allowing the reader to understand how God would want you to love. Prince encloses many stories of physical abuse, struggle, insecurity and more, with close attention to compassion. He writes this unique narrative inscribing a realistic scope of emotion each character faces. You will surely find yourself connected to one or more characters. You will find yourself gaining insight on healthy and unhealthy relationships; how we as humans can attempt to fill voids caused by grief, a lack of love or a lack of God; the importance of healing through a painful relationship, as well as various types of relationships reflecting different types of love, as Derek embarks on his spiritual and personal journey into a new beginning. A must read!.
