Rourke Educational Media, United States, 2015. Paperback. Book Condition: New. 203 x 203 mm. Language: English Brand New Book. When the weather turns from hot to cool, you notice many changes outside. The leaves turn a burning orange. Brown leather boots replace bright colored sandals, tall orange rakes replace running through the sprinkler. Fall is painted in orange and brown. Use this cool, interactive approach to integrate concepts and science of colors and seasons. Rhyming and repetitive text make this a fun read aloud. This title will allow students to ask and answer questions about key details in a text.
