The feud between their clans was legendary and she could never forgive them for everything they had stolen from her, not to mention her family. It had killed her mother and her father had retreated into his own private hell, leaving Isobel and her brothers to fend for themselves. So when this rakish Highlander invites her to meet him, she s thrilled to have the chance to tell him and his family to go to the devil for all they ve done. But when he kisses her, her traitorous heart makes her behave like a besotted fool and kiss him back! Horrified by her wanton behavior, she resolves to refuse him at every turn and honor her family at all costs. Tristan MacGregor knows full well of the feud between the MacGregors and the Fergussons. His beloved uncle Robert perished because of it and he mourns that loss every day. But he can t deny that, from the moment he saw the bonnie and irresistibly fiery Isobel Fergusson, he had to have her. Risking the fury of his own family and the murderous wrath of the Fergussons, Tristan will stop at nothing to make her his. But can he win over the lovely Isobel?.
