Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 124 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. There is a secret about financial security that has been hidden from the general public. If known, it would take a huge bite out of the profits of many Wall Street firms, the very same firms whose revenues depend upon peoples lack of understanding financial arithmetic. Armed with this information, almost anyone, even people earning ordinary incomes, are virtually guaranteed a high six, or even seven-figure retirement nest egg without changing their lifestyle or purchasing risky investments. The secret has been so closely guarded by the financial community that youve never heard of it. No bank, mortgage lender, stock brokerage firm, or financial advisor will discuss the secret with their clients. After all, if a big chunk of your income depended upon your customers being kept in the dark, would you tell them Could a code of silence exist on such a grand scale It could, and it does. Heres just a taste of what they dont want their clients to know: You can pay off your 30 year mortgage in about 10 years and save hundreds of thousands of dollars,...
