

Forbidden Knowledge: From Prometheus to Pornography

By Shattuck, Roger

St Martins Pr, New York, 1996. Condition: New. No Jacket. First Edition. 369 pages. Examining the meaning of moral responsibility in literature and in our everyday lives, Shattuck also suggests that we live in a violated world that dismisses taboos and fails to heed the wisdom of that which is sacred. (NA5000) 8vo - over 7¾" - 9¾" tall.

Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.
