Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from A Brief Narrative of the Ravages of the British and Hessians: At Princeton in 1776-77; A Contemporary Account of the Battles of Trenton and Princeton The manuscript which is here printed for the first time was purchased in 1901 by the Library of Princeton University at the sale of the late General William Scudder Stryker s collection. It had been given to General Stryker by Governor Charles S. Olden of New Jersey who believed it to have been handed down in his family from the day of its composition a hundred and thirty years ago. It consists of twenty-four folio numbered pages, the final paragraph of which was written on April 18, 1777. The manuscript is brown with age and has suffered severely from exposure and careless handling. It has been folded in the middle and the outer leaves have crumbled along the fold, while the upper right-hand quarters of the first and last leaves are wanting altogether, causing gaps in the first two and last two pages. The handwriting is well formed and regular, and is evidently that of an old man. The document is unsigned. General Stryker, who in his History of the Battles of Trenton and Princeton was the first to note in print the existence of the manuscript, followed the Olden family tradition by referring to it as the diary of Thomas Olden of Princeton, Mr. Olden lived in the little frame house which is locally well known as the lodge of Drumthwacket, the residence today of M. Taylor Pyne, Esq., and formerly of Governor Olden. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find...
