Xulon Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Although the according to Gospels of Matthew, Mark, Luke and John are complementary it is challenging to the reader to comprehend the overall narrative as they are not organized by any consecutive line of thought or chronology. Each Gospel has a different emphasis and organization, shaped to be relevant to its own purpose and audience; reflecting the differences of interest and environment. The Integrated Gospels consolidates the according to Gospels into a cohesive, reader friendly Gospel, presenting it in a chronologically and thematically consistent text by interweaving and arranging the scripture verses into a singular continuous narrative, thereby becoming relevant to all readers at all times. This unique text is presented exclusively in scripture verses with verse citations in margin of the quoted scripture for reference purposes. Employing no added commentary or paraphrasing The Integrated Gospels faithfully preserves the integrity of the Word of God, affording the reader a new and beneficial perspective on The Greatest Story Ever Told.
